Soap and Descriptions (Feb. 2003) (All soaps with an * are scented with essential oils only)

ALASKAN SOAPS:

1 Alaskan Log Cabin: Many dreams are formed around the image of the Alaskan Log Cabin, and our sweet spice soap captures them all. A wintertime best-seller.

2 Alaskan Wildberry Swirl: In a land where few other fruits grow the berry is highly esteemed by Alaskans. This pretty white with pink and purple swirls smells of berries, berries, and more berries.

3* Alaska Wild Rose Face Soap: Our silk enhanced rendition of the beautiful Alaskan Wild Rose will leave you soft, silky and fragrant. Contains heavy whipping cream and rose geranium essential oil.

4 Alaskan Chocolate Moose: Our long winters tend to give us Alaskans a sense of humor. This true-to-chocolate scented soap proves it!

5 *Alaskan Mountain Mint: Cool and frosty like an Alaskan mountain top...our spearmint/peppermint essential oil soap with its green swirls is a year round best seller.

6*Alaska's Midnight Sun: The lengthening days and sunlight playing off the mountains are the inspiration for our cinnamon leaf and sweet orange essential oil soap. Also contains organic oatmeal and finely ground orange peel.

7 Alaska Forget Me Not: Such a small flower to represent such a vast state...it holds its own quite nicely in this old-fashioned blue floral soap enhanced with silk for a pampering lather.

8*Alaska Klondike Clove Spice: A goatsmilk based soap with a spicy blend of essential oils to commemorate Alaska's often spicy history.

9 Alaskan Fireweed: A slightly spicy floral bar with magenta swirls and enhanced with silk. Fast becoming a new favorite!

10 Alaska Spruce Moose: Another of our wonderful goatsmilk based soaps, this time enriched with oats and fragranced like the forest.

11 Alaskan Wild Rosehip: A fragrant blend of berries and roses soap, sprinkled with ground rosehips for gentle exfoliation. A soap as beautiful as the vitamin laden rosehips that hang from the Alaskan bushes in the fall.

12 Matanuska Milk and Honey: The land of the giant vegetables now has a new fame...our goatsmilk and Alaskan raw honey soap scented with honey almond. (Pair with our Matanuska Lotion Bar)

SPECIALTY SOAPS:

1 *Howlin' Husky Dog Soap: We had many requests for an all natural dog soap and we researched a long time to come up with this very special bar to pamper your pooch. We added Neem oil, well known for its ability to soothe hot spots, flea bites, and skin irritations. This one is very popular with humans also...try it for psoriasis/eczema!

2 Sweet Mama: Motherhood is very special time so we created this soap with goatsmilk and extra cocoa and shea butters to soothe and moisturize the skin. Then we add a lovely orange floral aromatic scent blend. One of our best selling soaps!

3 Mama's Vanilla Rose: Rich in cocoa and shea butters and enhanced with a touch of silk this soap is very special. We combine essential and fragrance oils to scent and gentle rose kaolin clay to color.

4*Butter Crème Oatmeal: This soap is just what your dry skin has been thirsty for! We add gobs of cocoa and shea butters pour in creamy goat milk and stir in finely ground organic oatmeal. Naturally unscented and wonderful.

5*Sweet Baby Bar: This gentle soap starts with calendula and lavender infused olive oil. We superfat with jojoba oil and add a touch of lavender essential oil. Popular with anyone who likes to baby their skin. (no coconut oil added)

6*Essential Shampoo Bar: With 7 females in our home this soap is a necessity! We no longer need a conditioner or detangler since this soap is rich in goatsmilk and natural oils that neither overload the hair nor strip it. This soap is scented with an essential oil blend resulting in a sweet minty aroma.

7 * Alaskan Sportsman Shampoo and Body Bar: Scented with Anise essential oil which is renowned for removing odors and masking human scent. Fisherman world over use it to wash their tackle with. Also excellent for Camping and Hunting.

8 *Castile: 100% Olive Oil Castile Soap is revered for being the gentlest soap available, suitable for Chemotherapy patients.

GOATSMILK SOAPS:

Goatsmilk is renowned for softening and soothing skin. We use the milk from our own goats (when available).

1 *Lovely Lavender: The timeless essential oil of Bulgarian Lavender in our own goatsmilk soap, lightly swirled with lavender mica.

2 *Lavender Herbal Oatmeal: Wonderful lavender & calendula infused olive oil & creamy goatsmilk is the base for this soap to which we then add organic oatmeal, ground calendula and Bulgarian Lavender essential oil.

3 Warm Vanilla: This dark brown bar with lighter swirls smells of vanilla, vanilla, vanilla.

4 Sandalwood: Our goatsmilk soap is scented with sandalwood fragrance and results in a dreamy soap that people buy in handfuls.

5 Gentleman's Oatmeal: Our goatsmilk/organic oatmeal bar created just for men. Smells a little of cologne, food and a whole lot of wonderful!

6 Country Apple N Oats: Our goatsmilk and oatmeal soap scented with apple and spice is very nice!

7 Goats and Oats: Our version of oatmeal, milk and honey in our own creamy goatmilk, organic oatmeal and Alaskan honey soap. Comfort food in a soap!

8* Truly Patchouli: Earthy Patchouli essential oil ...a love it or leave it soap, we happen to love it!

9 Orchid N Elderflower: A soft, powdery floral scented soap lovingly sprinkled with ground elderflowers.

10 Honey Ginger Oat: A mouthwatering, slightly spicy blend with ground organic oats and our raw Alaskan honey. (match this up with our bestselling Ginger Papaya Lotion Bar...yummy!)

OTHER FINE SOAPS:

1 *Lemongrass Calendula: Sunshine in a soap! Contains a lemongrass essential oil blend and ground calendula.

2 Lilac Bouquet: This silk enhanced soap smells just as though you are hugging an armful of fresh-from-the-bush lilacs.

3 Pink Ribbons: Our very special silk enhanced soap is a floral fragrance blend with part of the proceeds from the purchase of the scent going to the Susan G. Khomann breast cancer research fund. The soapmaker has dedicated this soap to her Grandmother and a favorite Aunt, both breast cancer survivors.

4 Cucumber Melon: A very pretty soap with bits and pieces of our pastel colored soaps. Scented with the popular Cucumber Melon fragrance, silk added. (There is even a matching lip balm!)

5 Wild Chamomile: Our Alaskan yard (notice we didn't say lawn!) grows wild chamomile, also known as pineapple weed. The smell is wonderful as you crush it underfoot and release its aromatic oils. This soap captures that essence with a pineapple fragrance and ground chamomile blossoms.

6 Rise N Shine: It is no surprise that this uplifting citrus soap is one of our most popular. We add finely ground calendula and silk.

7 Green Apple: A fresh, juicy soap that will make your mouth water and your skin sing!

8 Japanese Citrus: A wonderful blend of pink grapefruit and mandarin. This soap is enhanced with silk and adorned with a swirl of gold mica.

Lotion Bars: Our lotion bars are very popular, come in 2 sizes and are available in the scents below. They are made of all natural ingredients (plus a fragrance) and are a convenient alternative to conventional lotion. *Large \$6.50 Small \$3.50*
